Abstract: The National Center for Education Statistics Quick Response Information System (QRIS) consists of the Fast Response Survey System (FRSS) and the Postsecondary Education Quick Information System (PEQIS). The QRIS currently conducts surveys under Office of Management and Budget generic clearance 1850-0733, which expires in September 2012. This submission requests approval to continue the current clearance conditions through 2015. FRSS primarily conducts surveys of the elementary/secondary sector (districts, schools) and public libraries. PEQIS conducts surveys of the postsecondary education sector. FRSS and PEQIS surveys are cleared under the QRIS generic clearance. The QRIS clearance is subject to the regular clearance process at OMB with a 60-day notice and a 30-day notice as part of the 120-day review period. Each individual FRSS or PEQIS survey is then subject to clearance process with an abbreviated clearance package, justifying the particular content of the survey, describing the sample design, the timeline for the survey activities, and the questionnaire. The review period for each individual survey is approximately 45 days, including a 30-day Federal Register notice period. OMB will provide comments as soon after the end of the 30-day notice period as possible. This generic clearance request is for surveys of state education agencies, school districts, schools, postsecondary institutions, and libraries. Surveys of teachers, students, commercial establishments, and households are not included in this request.
